Following is the text of a Liaison Information Report filed in FWD:

# 1. Operational Circumstances:

Date of Acquisition 22 June 1959.

- a. Acquired from Alias [redacted] representing [redacted].
- b. Acquired by [redacted] alias [redacted] representing [redacted].
- c. Nature of info: Official, Oral statement.

# 2. Content:

a. [redacted] has a full run-down of the Soviet Trade Mission in Kassel and all 39 of its employees. This target (both in Kassel and in Kassel) is [redacted] direct responsibility. [redacted] has recently learned that the Kassel villa, occupied by the Trade Mission, has been re-rented for 1960. [redacted] theorizes that:

1) The number of Trade Mission employees will be at least doubled, thus necessitating additional housing (Trade Mission employees not covered by diplomatic personnel limitations fixed by treaty).

2) Various visiting businessmen (usually thirty during any month) from the USSR will be housed there during pre travel and post travel briefings.

3) The house will be used in conjunction with the Soviet-German cultural exchange program recently formalized by treaty.

[redacted] believes the first possibility the most likely.

b. The only German or non-Soviet employee of the Trade Mission in Kassel is the gardener and he is never allowed inside the building. This fact has greatly limited the [redacted] effort.

c. [redacted] has reported the owner of a Red Kassel hotel in which most of the visiting Soviet businessmen and trade people stay for the first couple of days after arriving in Kassel.

d. [redacted] wishes to work as closely with [redacted] as possible against the Trade Mission and should the [redacted] should request any and all information [redacted] on this [redacted] that it would be given with pleasure.

# 3. Remarks:

The openness, sincerity and freedom with which [redacted] talked about this and related matters cannot be overemphasized.

Approved: [redacted]

Dissemination:

- 1 - [redacted]
